Statement of Progress in Meeting the 5-Year Plan Mission and Goals

DHCD continues its efforts to expand the supply of assisted housing by maintaining maximum utilization of housing choice vouchers and leveraging private and public funds to create housing opportunities. Additionally, DHCD will continue with a goal to provide or attract supportive services to assist program participants in seeking employment and to increase independence for the elderly and families with disabilities. DHCD will also continue its efforts to increase customer satisfaction and conduct outreach to potential and participating owners.

1. PHA Goal: Expand available housing opportunities and continue its efforts to increase customer satisfaction and will conduct outreach to potential participating owners.

DHCD and its partners continue to provide comprehensive housing search services for families and property owners. Through the MDhousingsearch.org, an affordable housing database and available unit registry, owners may list available units and program participants may access listings of properties. This can be accomplished on-line or by telephone. MDhousingsearch.org links owners seeking tenants and program participants seeking landlords who own and/or operate decent, safe and affordable housing. The site includes listings for 35 states and the District of Columbia.

DHCD continues to update the website to provide customer-friendly information on rental assistance and has expanded referrals to include various subsidized housing programs and social service agencies.

- Apply for additional rental vouchers should they become available. Since 2015, the Department has expanded the Veterans Affairs Supportive Housing Voucher program from fifteen (15) vouchers to one hundred and eighty (225) through 2020. The Department plans to continue to apply for opportunities to expand the VASH program.
- Leverage additional resources through private or other public funds to create additional housing opportunities.
- Explore ways to strategically expand housing in communities of opportunity and revitalization areas in parts of the Eastern Shore and Western Maryland through the Project-Based program e.g. an RFP or the Departments competitive tax credit funding round.

2. PHA Goal: Improve the quality of assisted housing and continues to build partnerships with participating owners.

DHCD continues to increase the number of vouchers with partnering agencies including Veterans Affairs, Public Child Welfare, and other referring agencies.

DHCD continues to administer the Family Unification Program (FUP) in partnership with Public Child Welfare Agencies (PCWAs) which are responsible for referring FUP families and youths to the PHA for determination of eligibility for rental assistance.

Under the Maryland Bridge Subsidy Demonstration Program, the Department continues to partner with the Mental Hygiene Administration, the Developmental Disabilities Administration, Centers for Independent Living, and The Coordinating Center.

DHCD was awarded 15 new Mainstream housing choice vouchers as a part of the CARES Act, effective 10/1/20.

DHCD was awarded 45 new HUD-VASH Vouchers effective 1/1/21, bringing the total number of VASH vouchers to two hundred and twenty-five (225).

As a part of our goal to improve the quality of assisted housing and build partnerships, DHCD recently released a RFP to project-base 50 VASH vouchers, and the Department will continue to explore a regional and statewide project-based voucher concept to increase housing opportunities.

DHCD in partnership with the Maryland Department of Health and Mental Hygiene and the Maryland Department of Disabilities applied for and received awards for \$10,917,383 of Section 811 Project Rental Assistance Demonstration funding to serve 150 individuals with disabilities. In March 2015, HUD announced the award of another round of Section 811 Project Rental Assistance funding. And on November 30, 2020, DHC was awarded an additional \$6.9 million dollars in connection with the Section 811 PRA.

Additional housing opportunities were created by financing affordable housing developments utilizing the Federal Low-Income Housing Tax Credit Program (LIHTC) and state-appropriated loan funds. Over the past three years, the Department has financed 12,500 units statewide.

DHCD continues to provide mobility counseling at briefings to inform families of expanded housing choices. Provided new maps for assistance to families.

- Align program with market rate and other housing programs, continue to pilot and implement biennial Inspections (HCV) and other efficiencies. The Department will continue piloting biennial inspections for units that have passed two consecutive inspections. Random quality control inspections will continue to be performed. Other units will be inspected annually.
- Conduct outreach efforts to potential voucher landlords. Increase community engagement and involvement through stakeholder meetings focused on developing partnerships and increasing housing opportunities.
- Pilot prescreening application entry system to match applicants to appropriate programs/units based on eligibility criteria, to maximize utilization and increase efficiency.

4. PHA Goal: Use housing as a platform to improve quality of life an promote self-sufficiency and asset development of assisted households

Established and maintained Family Self-Sufficiency program escrow accounts. Provided and attracted services to increase independence for elderly and families with disabilities. The FSS Coordinator networked with local colleges and employment agencies to link clients to needed services. And provided assistance under the Non-Elderly Disabled (NED2) Housing Choice Voucher Program.

- Increase Family Self Sufficiency (FSS) program participation and leverage partnerships with the philanthropic and business sectors to connect participants to resources that improve their access to economic opportunities, such as jobs, transportation and affordable mortgages.
- Encourage enrollment of FUP-eligible participants in the Family Self-Sufficiency (FSS) program includes targeted outreach, development of strategic service collaborations with educational institutions/community-based organizations to achieve core asset development and work advancement objectives, and perform extensive tracking of economic stability outcomes. In addition to the enhanced marketing and asset development, if approved, the PHA will expand the time FUP youth can receive housing assistance from 36 to 60 months for FUP youth participating in FSS.
- Leverage resources to increase opportunities for homeless or formerly homeless individuals and families to access federally funded or locally funded subsidized housing and rental assistance programs including, set aside vouchers for individuals exiting permanent supportive housing. The transition from permanent supportive housing to housing choice vouchers will create new openings in permanent supportive housing for the chronically homeless.
- Continue to work with supportive service agencies on a Housing First Initiative to aid chronically homeless households.
